

Appl. No. 10/601,135  
Amdt. dated May 5, 2005  
Reply to Office Action of March 9, 2005

## REMARKS / ARGUMENTS

Applicant thanks the Examiner for the Office Action of March 9, 2005. This Amendment is fully responsive thereto. Applicant believes that this amendment places the application in condition for allowance and do not raise new issues requiring further search or consideration. As such, Applicant respectfully requests entry of the same.

In the Office Action, the Examiner rejected claims 31 and 32 as indefinite concerning "the parameters" in claim 31 and "the parameters" and "the exceptional operating cycle". Applicant has amended each of these claims to cure these deficiencies and believes the rejection to be mooted. As such, Applicant believes the rejection should be withdrawn.

Accordingly, it is believed that the present application now stands in condition for allowance. Early notice to this effect is earnestly solicited.

Should the Examiner believe that a telephone call would expedite prosecution of the application, he is invited to call the undersigned attorney at the number listed below. A petition for a one-month extension of time has been contemporaneously submitted with this Amendment along with the associated fee. Otherwise, it is believed that no fee is due at this time. If that belief is incorrect, please debit deposit account number 01-1375. Also, the Commissioner is authorized to credit any overpayment to deposit account number 01-1375.

Respectfully submitted,
